Details & Timings

The final and longest day of our walking challenge! We start the morning at HSBBCN HQ and walk through Spiceball Park over to Norbar before returning to HSBBCN HQ with a loop around the Grimsbury Reservoir and back through Spiceball Park. We then head over to People's Park where we aim to complete 4 loops of the park before then taking on our exciting grand finale of walking the fabulous Banbury BID/ThomFong Dog Art Trail through the town centre streets.
Total distance today = 17km

Leg 1: Spiceball Park - Norbar - Reservoir Loop

- Britannia Rd Children's Centre — 9:45am meet for 10am depart
- Norbar Torque Tools Ltd — arrive approx. 10:45am depart 11:05am
- Grimsbury Reservoir loop — arrive approx. 11:25am with a loop taking approx. 20min to complete
- Back to Brit Rd via Spiceball — arrive approx. 12:15pm

Leg 2: People's Park Loop

- Britannia Rd Children's Centre — depart 12:40pm
- The Café People's Park — arrive approx. 12:55pm
- 4 loops of People's Park — approx. 15min per loop so around 1 hour of walking before departing and heading back to Brit Rd
- Back to Brit Rd — arrive approx. 2:10pm

Leg 3: The Grand Finale Dog Art Trail

Happy Place Wall Mural, Castle Quay — 2:30pm meet for 2:40pm depart
Follow the Banbury BID Dog Art Trail doing a loop of the town centre – Market Place, Butcher's Row, White Lion Walk, High Street, South Bar Street, Horse Fair, Parsons Street, Cornhill, Castle Street through to The Light, along the canal down towards the bus station, through to Bridge Street and back up to Market Place and into Castle Quay
This is approx. 2.5-3km (depending on little detours here and there to stop off at as many participating businesses as we can) and will take around 1hr to complete (again taking into consideration the slightly slower pace due to potential very short stop offs along the way).

Finish:

Happy Place Wall Mural, Castle Quay — approx. 3:45pm
