

Our impact...

April 2019 – March 2020

Because
childhood
can't wait

57

volunteers
supported
the scheme

We supported
92
families with
weekly Home-
Start support

This resulted
in
224
children being
supported

Our volunteers
made
910
visits

Our volunteers
visited for
2,278
hours in total

204
families
attended our
drop-in play
sessions

Our Family
Support Worker
supported
8
families

We enjoyed a Summer Outing, a Christmas Party and a Forest School Session.

84% of families we supported have improved collective coping scores at the end of support compared to when we first met them.

81% of parents felt less isolated.

73% of families felt they had improved mental health.

80% of families felt more capable to manage their children's behaviour.
